## FROM CHRISTMAS CREEK THOROUGHBREDS

---

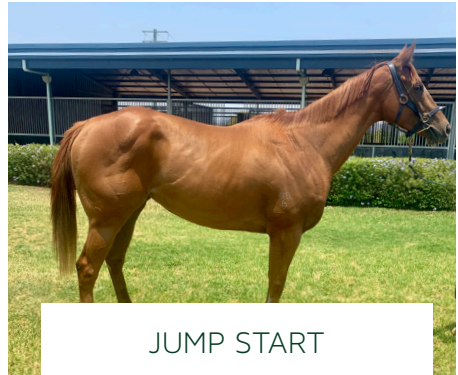

The yards have been glistening with horses, although rain is still very much needed with a few bush fires still burning within the Scenic Rim. We have started to ploughing a track at Christmas Creek Thoroughbreds. It's a slow process but were excited for what the future may hold. We've Sold a few cattle as well this month and brought a couple of wieners to celebrate the festive season with. Were looking forward to a busy Christmas and look forward to the New Year. Hopefully Santa brings us some summer storms!

Stay tuned for our Christmas Edition in the coming weeks!!
